

HEMIPELVECTOMY/HIP DISARTICULATION SOCK

The Royal Knit Full Fashioned Hip Sock

Utilizing a revolutionary knitting technique, we have developed a hip disarticulation sock which makes fitting and ordering easy as possible.

This product features fully seamless knitting in four sizes, will fit ninety-five percent of your patients. This includes right and left amputation, both male and female.

The only measurement required to order this product is waist circumference. If a custodial opening is desired (add \$4.00 to price below), simply designate right or left amputation. Bi-lateral also known as a bucket sock available on request.

Available exclusively in 3-ply. This product features excellent wicking action, quick drying, overall softness and a more conforming fit.

See below for our easy add-on **OPTIONS**

BLACK-(Add “B” in front of the product code) Ex: **(BRF3-HP)**

CUSTODIAL OPENING-(Add “F” in front of product code) Ex: **(FRF3-HP)**

BI-LATERAL-(Add “BL” in the place of the “HP” in the product code) Ex: **(RF3-BL)**
